Wheel = W

W 2314

ATTENZIONE: Si possono piegare/curvare solo le barrette morbide e non le rigide. Non avvitare con forza le barrette, potrebbero rompersi.

ATTENTION: You can only bend the twist soft bars, and not the rigid twist ones. Do not force while twisting the bars, as they may brake.

ACHTUNG: Nur die weichen Stäbe können gebogen werden und nicht die harten. Die Stäbe nicht mit Gewalt einschrauben, sie könnten beschädigt werden.

ATTENTION: Seules les barrettes souples, et non les rigides, peuvent se plier et se courber. Ne pas visser avec force les barrettes, elles risqueraient de se casser.

ATENCIÓN: Se pueden girar solamente las barritas flexibles, no las rígidas. No enroscar con fuerza las barritas porque podrían romperse.

ATENÇÃO: Podem torcer-se só as barras flexíveis, não as barras rígidas. Não enroscar com força as barras, podem romper-se.

ВНИМАНИЕ: Менять форму/сгибать можно только гибкие, но не жесткие магнитные брусочки. Не применяйте силу при завинчивании брусочков – они могут сломаться.
